# Nebbiolo 2021

## Doc Rosso di Valtellina

---

100% Nebbiolo (*Chiavennasca*)

Grown in vineyards throughout the Rhaetian Alps, from the Costiera dei Cèh in the municipality of Mello to Chiuro.

Southern exposure at an altitude of 300-500m above sea level.

It is vinified and aged almost exclusively in steel, with a brief maceration on the skins. A short passage in 10 HL oak barrels is performed to fix the color through micro-oxygenation.

With a light color, one can read through it! It expresses the fruity notes of young Nebbiolo to the fullest, supported by structure and roundness that make it pleasant to drink.

The recommended serving temperature is 16°C, and it is served in Burgundy glasses.

In the 2021 vintage we produced 5725 bottles of 0,75 liters each.

The first production vintage was in 2020.
