# Nebbiolo 2022

## Doc Rosso di Valtellina

---

100% Nebbiolo (*Chiavennasca*)

Grown in vineyards throughout the Rhaetian Alps, from the municipality of Berbenno to Chiuro.

Southern exposure at an altitude of 300-500m above sea level.

It's vinified exclusively in steel, with a brief maceration on the skins. The aging for this vintage is almost exclusively in 10 HL oak barrels, to fix the color through micro-oxygenation.

With a light color, you can read through it! It expresses the fruity notes of young Nebbiolo to the fullest, supported by structure and roundness that make it pleasant to drink.

The recommended serving temperature is 16°C, and it is served in Burgundy glasses.

In the 2022 vintage we produced 6026 bottles of 0,75 liters each.

The first production vintage was in 2020.
