

Bianco “Chiavennasca” 2022

Igt Alpi Retiche

100% Nebbiolo (Chiavennasca) vinified in white.

The grapes come from vineyards in the Rhaetian Alps, ranging from the “Costiera dei Cech” in the municipality of Mello to Castione Andevenno.

Southern exposure.
Elevations of 300-500 meters above sea level.

The wine is fermented, aged, and matured primarily in oak and acacia barriques.

The use of barriques, especially during fermentation, enhances the wine's savoriness and freshness, giving body and structure to a young wine.

The wine has a distinctive character and balance, showcasing that Valtellina is not just about red wines!

It is recommended to serve the wine at 13°C in a Riesling glass.

The production for the vintage 2022 is 4360 bottles of 0.75 liters each.

Our first vintage was in 2016.
