

Brut “Novantanove” - 2020

Igt Alpi Retiche

100% Nebbiolo (Chiavennasca) from the 2020 harvest.

The first Nebbiolo grapes of the harvest are collected in small crates from the vineyards of Berbenno.

South-facing vineyards located at 350 - 400 m above sea level.

After 8 months in steel, a second fermentation in the bottle is carried out, followed by refinement on the lees for 20 months. It is a classic method zero dosage, or Pas dosé: it represents the purest essence of bubbles and is the most authentic expression of our territory.

The Nebbiolo vinified in white and sparkling gives good mineral notes, citrus and bread crust. The good acidity helps its drinkability. It is the new entry of the house, sparkling!

Serving temperature:
10-11 °C, served in a flute glass.

Vintage production 2020:
4650 bottles, with foam taking place in June 2021, in 0.75-liter bottles, divided as follows:

- 1050 bottles with 12 months on the lees, sold out;
- 1550 bottles with 20 months on the lees, currently for sale;
- 2050 bottles in refinement on the lees.

First year of production: 2019

COMING SOON 2024:

100% Nebbiolo (Chiavennasca) vinified in Rosè from the 2021 harvest!
